

# Enrollment Underway for SWOSU Summer Semester

02.16.2009

Students eager to accelerate college completion can enroll now for the upcoming summer semester at Southwestern Oklahoma State University with campus locations in Weatherford and Sayre.

The summer semester lasts only eight weeks, compared to 16 weeks during the fall and spring semesters. Both SWOSU students and transfer students take advantage of the shortened semester to add hours toward degree completion.

High school juniors and seniors who have made a minimum ACT score are eligible to take summer classes at SWOSU. High school seniors may qualify for free tuition by checking with the Registrar's offices on either campus.

Summer classes begin June 2 and end July 29.

To see the SWOSU summer class schedule online, go to: <http://www.swosu.edu/resources/schedules.asp>

For further information, call the SWOSU Registrar's offices at 580.774.3777 on the Weatherford campus and 580.928.5533 on the Sayre campus.
